# ENDORSEMENT

*Shannon and I would like to take this opportunity to thank you for the lovely venue and service provided to us not only on our big day but the days before and after!*

*We were treated very well from our first encounter back in February 2013, almost 20 months before the big day. The Sales team were very accommodating and responded to our million questions with patience and professionalism.*

*The event itself was executed beautifully and exceeded our expectations. The Banquets supervisor led the entire team and wowed our guests with excellent service. Guests were seamlessly directed to the buffet tables after photos were taken with us.*

*The dinner was very important to us as it is a wedding feast. We had chosen a bespoke Indian menu. Each dish was authentic, delicious and catered to all the 180 guests' taste buds. The chefs went above and beyond to make sure that the food was plentiful and our guests were well taken care of.*

*We really appreciate the effort that went into organising the activities during the lead up to the big day. Just to name a few - placing the favours, table names, co-ordinating with the other suppliers, looking after the financials, the last minute changes before entering the reception and so on.*

*The attention to detail was impeccable and we cannot thank the Langham enough for making our day truly extra special!*

*If we had to recommend The Langham to any engaged couples, we would do so in a heartbeat!*

*Once again, thank you!*

*Zelia & Shannon Fernandes*
